***Chief Executive Officer  
Framingham***

**Gabriele Brambilla, MBA**, is Alira Health's Chief Executive Officer and Co-Founder. As CEO, Gabriele evangelizes Alira Health's mission—humanizing healthcare and life sciences, in partnership with patients, through innovative technologies and expert guidance.

In 2018, he co-founded the MetroWest Life Sciences Network, a regional collaboration of healthcare and life science-based organizations, municipalities, and economic and business development organizations in Boston's MetroWest, where Alira Health is headquartered. As the network's current chairman, Gabriele fosters collaboration, innovation, and entrepreneurship in this critical life sciences ecosystem.

He is also on the Board of Directors of MassMedic, EnlightenVue, WoundForce, Firefly Innovations, X-Cor Therapeutics, Computational Life, SMOC, and the co-founder of Inter Academy MetroWest Boston soccer program.

Gabriele began his career in pharmaceuticals, working for an Italian firm based in Shanghai, and developed his deep industry expertise through roles with medical device and digital health technology practices.

He holds a BA in Political Science from the University of Pavia, a master's degree in International Affairs from the I.S.P.I., and an MBA from Post Graduate SDA Bocconi in Milan, Italy.
